DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The examiner is correcting the examiner answer with this miscellaneous communication. The examiner made a mistake with the date of the first appeal brief, which should be 3-10-08 instead 3-01-08.

The examiner would like insert heading 6, after summary of claimed invention.

"(6) Grounds of Rejection to be Reviewed on Appeal"

The examiner agrees with the statement in the appeal brief."
